

CBD ISOLATE

PURITY

99%+ CBD

<0.1% THC

It's pure. It's white. It's stable and predictable. It's everything a premium hemp-derived cannabinoid ingredient should be. Exactly what you'd expect from a trusted industry-founding pioneer.

Ingredient specifications exceed international standards. Build your product lineup with confidence, knowing that you are purchasing the highest quality CBD isolate available anywhere, every time.

APPLICATIONS

CBD is an excellent active ingredient to be included in just about any product formula. CBD isolate is a great foundational ingredient for formulated goods, including:

- Topicals and cosmetics
- Oils
- Vapes
- Fruit chews and gummies
- Pet treats
- Oil-soluble applications

For applications that require water-solubility, like beverages or shots, check out our liquid and powder water-soluble cannabinoids.
