# TRANSDERMAL PATCHES

*Introducing GenCanna's BRAND-ready CBD-infused transdermal patches.*

*This is state-of-the-science in topical delivery, absorbed through the skin for quick, discreet, prolonged release. In a clever stick-on patch, our innovative health and wellness formulation includes adaptogens and other focused ingredients, such as black cohosh, which is known for providing menstrual relief. Along with 40 milligrams of CBD, they work together to help calm the effects of over-active hormones during menstrual cycles.*

## SPECIFICATIONS

APPEARANCE	CONSISTENCY	SCENT
Oversized fabric bandage	Elastic	Lavender, rosemary & thyme
COMPONENTS	SHELF LIFE	
Fabric and adhesive	24 months	

## COMPLIANCE

- ✓ Produced in cGMP facilities; natural ingredients; clean label

## WOMEN'S HEALTH

*Don't forget to ask about our entire BRAND-ready white label lineup.*

## BODY ROLL-ON

*Introducing GenCanna's BRAND-ready CBD-infused body roll-on.*

*When rubbed onto the soles of the feet, where skin pores are larger, or behind the ears or inner wrists, where the dermis is thinner, our body roll-on ensures a more rapid absorption of our masterful blend of therapeutic essential oils. These components, along with CBD, help to soothe menstrual discomfort.*

*Our own innovative blend of natural ingredients includes lavender, eucalyptus and neroli oils, whose properties are increasingly linked to soothing the body discomfort associated with menstruation and PMS.*

# GREEN CLAY REBALANCING FACE MASK

Introducing GenCanna's BRAND-ready CBD-infused green clay rebalancing face mask.

Enriched with French green clay and kaolin, this mask is great for cleansing the skin of dirt and excess natural oils. This luxurious mask is enriched with hyaluronic acid, and infused with cucumber seed oil, green tea, fig and apple extracts. Together, these premium ingredients boost moisturization and barrier function, which may be hard for skin to maintain as progesterone levels drop during menstrual cycles. It contains fresh bergamot and lime essential oils to leave skin feeling and smelling fresh. Infused with CBD, this green clay mask is perfect for restoring balance, as it soaks up excess oils, cleanses and fortifies the skin.

# SPOT CONTROL MOISTURIZER

Introducing GenCanna's BRAND-ready CBD-infused spot control moisturizer.

Our spot control moisturizer helps address the kind of skin vulnerabilities many women experience each month as progesterone levels drop during their menstrual cycles. Sea buckthorn oil acts as an anti-inflammatory, helping to reduce redness and swelling while also nourishing the skin to soften and heal scars. Sea buckthorn is a natural source of vitamins with anti-oxidizing properties. Tea tree leaf oil fights the kind of bacteria that causes blemishes. Enriched with CBD, this soothing blend of ingredients supports the skin's natural defenses against dryness, redness and irritation.
